## CERTIFICATION OF ELECTRICAL EQUIPMENT

It is our pleasure to issue you with the enclosed Certificate of Approval/Conformity EESS-250152-0.

Please immediately check and ensure the details are correct in accordance with your application.

**IMPORTANT:** This certificate requires the approval markings on the product label to be **CCS-250152-EA** and the Regulatory Compliance Mark (**RCM logo**) which must be used in accordance with its conditions of use set out in the latest edition of [AS/NZS 4417.1](#).

EESS Conformity Certification will upload the required certificate information to the New EESS Platform database as detailed in the Australian/New Zealand Electrical Equipment Safety System (EESS), Equipment Safety Rules Appendix C. The Responsible Supplier must register their equipment of the Certification Equipment Database as part of the EESS and prior to sale.

This certification is based on type testing, modification to the certified product in any way must be notified to EESS Conformity Certification for endorsement. Details of the modification must be advised by completing and submitting the application via our Online Application System (OAS) with your login credentials.

Any change to the name or address of the certificate holder must be notified to EESS Conformity Certification within one calendar month. Changes may be advised by completing and submitting the application via our Online Application System (OAS) with your login credentials.

An application for the transfer of Certificate from the existing Certificate Holder to another/new Certificate Holder may be made to EESS Conformity Certification by completing and submitting the application via our Online Application System (OAS) with your login credentials.
